

**Application:** Flavouring

**Plant Part:** Fruit

**Extraction Method:** Steam distillation

**Aromatic Description:** Clean, fresh, sweet

**Main Chemical Components:** Geranial, neral, limonene

## PRIMARY BENEFITS

- Diffuse for a refreshing and uplifting aroma
- Add to your homemade surface cleanser for a fresh aroma
- Used in aromatherapy and meditation for balance and inspiration
- Diffuse while working or exercising to bring fresh energy and stimulation

## PRODUCT DESCRIPTION

Litsea cubeba is an evergreen tree or shrub belonging to the Lauraceae family. Its fruit produces Litsea—a lemon-like essential oil with a wide range of aromatic uses. Being native to East Asia, Litsea has a long history of traditional use by the indigenous people of Taiwan and has been widely distributed in Japan, Taiwan, Southern China, and Southeastern Asia. Due to its high content of geranial and neral, Litsea has many surface cleansing properties. Geranial and neral are also found in Melissa and Lemongrass and have very similar scents and properties. When diffused, Litsea can promote feelings of fresh energy to your day.

## USES

- Diffuse or apply one to two drops to a scarf or shawl to promote feelings of balance throughout the day.
- Create your own blend by combining with complimentary oils such as Lavender, Ylang Ylang, Rose, Sandalwood, Frankincense, Geranium, Vetiver, or Fennel.
- Diffuse during meditation to help clear your mind and rejuvenate energy.

## DIRECTIONS FOR USE

**Flavouring:** Dilute drop in 120 mL of liquid.

## CAUTIONS

Possible skin sensitivity. Keep out of reach of children. If you are pregnant, nursing, or under a doctor's care, consult your physician. Avoid contact with eyes, inner ears, and sensitive areas.
