**How to build a  
Successful Business:  
Back to the Basics**

**Allyse Sedivy,**

*Double Presidential Diamond*

Allyse and her husband, Patrick Sedivy, set themselves apart as model business builders when they went from Consultant to Diamond in a short 62 days. That momentum continues as they mentor their leaders to become independent and dynamic. The Sedivys' active interest in the success of others has allowed them to achieve the rank of Double Presidential Diamond.
